## New Zealand Certificate in Health and Wellbeing (Level 3) Health Assistant Strand

This 19 week programme is perfect for:

- Those who want to enter the care-giving sector eg: aged care facilities, hospitals, Doctor's surgeries and in-home care.
- Those already working in the sector and want to gain formal qualifications to validate their practice.

This programme involves:

- On-campus learning on Tuesday's and Wednesday's
- 124 hours of clinical practice. For those working in the sector, their clinical placement can be their place of employment.

Graduates of the Health Assistance strand will also be able to:

- provide person-centred care under the direction and delegation of a health professional.
- recognise and respond to change
